

You are PETER, and upon this ROCK

I will build my CHURCH.

St. Peter and St. Paul were given very clear signs that Christ is the source of all strength and salvation. We also have many signs in our lives that show that Christ is indeed the source of our strength and our salvation. We must be open to the

opportunities to show our faith by sharing with others... to stand united with the Body of Christ.

In Our Parish 

Preventing child sexual abuse is the goal of a new program selected by the Diocese of Galveston-Houston. "Protecting God's Children for Adults" educates clergy, staff and volunteers who work with children, about child sexual abuse and the ways to create safe environments for children. The 3-hour session includes videos and facilitated discussions that focus on the prevention of abuse and the protection of children. Adults learn how to recognize the signs and symptoms that an adult is a potential risk of harm to children and how to know that a child is being abused or exploited in some way. You will learn about steps that the faith community can take to create a safe environment for all God's children and how to respond when adults behave in a way that raises concerns. Clergy, staff and volunteers who have regular contact with children and youth are required to attend training. All other adults are invited and encouraged to participate as part of the Church's commitment to make the world a safe place for all our children.

MISSIONARY COOPERATION PLAN APPEAL

Our Church is missionary. From the beginning, she has obeyed the commission of Christ to go out and preach the gospel to everyone in the world. The missionary work involves recruiting, training and equipping missionaries for their task and maintaining and supporting the young churches until they are established.

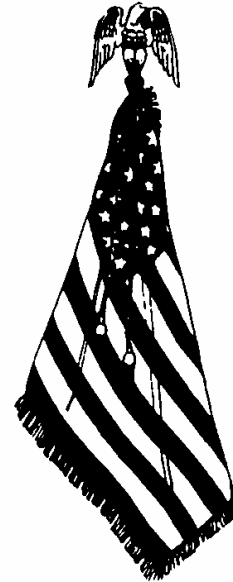

The Society for the Propagation of the Faith is established in every diocese to organize support for the missions. Each year, it appeals for funds on Mission Sunday. It also brings to each parish, a missionary to share the work of his or her religious community. This year the **Missionary Society of St. Paul** is assigned to our Church. We will have a second collection to support their work.
