YOUTH ON A MISSION 2005 is now in progress through the 16th of July! 100 youth and adults from St. Michael's, along with 15 from St. Cecilia's in Oregon, have departed for San Juan, Texas to serve needy people of the valley. We encourage you to follow their daily activities through St. Michael's website, www.smlj.org, since we plan to post daily pictures and descriptions. You may also write to the participants through e-mail. Please continue to pray for them this week.
