

In the second reading, Paul reminds us, "There are different gifts, but the same Spirit; there are different ministries, but the same Lord...To each person the manifestation of the Spirit is given for the common good." How am I using my gifts "for the common good"?

The late Pope John Paul II has declared this year 2005, the Year of the Eucharist.

**You have already seen** the changes mandated by the Holy See. The changes are all in the external, but are meant to touch the internal.

**External reverence** is important and necessary, but unless it touches our hearts, it's just good order, and that's all. John Paul II called us to a greater love and appreciation for this gift.

**In the months ahead** you will see articles in the bulletin, brochures in the back of the church, all intended to deepen your love for the Eucharist.

**The theme for our Spiritual Fest** this year, is "The Eucharist, God's gift of Himself".

**I hope you take advantage** of all that is offered.

Fr. Leo
