# The Beginning Experience

The **Beginning Experience Weekend** is designed to help men and women who are widowed, separated, and divorced gently close the door on their former marriage. Healing, transformation, and the freedom to love again can occur when one works through the grief process associated with the end of the marriage. Persons suffering from the loss of any close relationship may also benefit from a **Beginning Experience Weekend**. You can obtain more information online at [www.beginningexperience.org](http://www.beginningexperience.org) or by calling the **Beginning Experience** info line at 713-440-3440.
