

## **ANNOUNCEMENTS: July 21-22**

### **Mark your calendars**

- On Sunday, Aug. 5<sup>th</sup> from 7-9 pm. Fr. Calistus Isara will speak on “Third World Church, the Church in the U.S.—our similarities and differences.” Fr. Calistus is from Nigeria and tries to take his working vacation with us. More information appears in this week's bulletin.
- We continue to have our summer adult bible study series, based on the “Celebrating the Lectionary” program. We meet in “F” wing beginning at 7:00 pm on Wednesday evenings. This study of the upcoming Sunday readings has given much depth to their meaning when proclaimed at Mass and the sharing of faith within the group has been very Spirit-filled. Please consider joining us in this quiet time of prayer, faith sharing and exploration of our scriptures.
