Volunteer Opportunities
At Maker Fun Factory VBS

Welcome to Maker Fun Factory: Created by God, Built for a Purpose

In just a few short months, the Spiritual Learning Center will be getting a makeover as we begin a unique adventure at VBS! Kids will worship God through songs and prayer, experiment with Sciency-Fun Gizmos, and discover life-changing Bible truths in fun and memorable ways.

To have the best adventure possible, we need lots of volunteers who can give some time, energy, and love to the kids who will attend. Let me share a few ideas about ways you might be able to make this program a success. Please check out the following list, and then pray about where God might use you. Volunteers over the age of 18, must be VIRTUS/KPA trained.

Station Leaders: Use easy-to-follow station leader manuals and prepare one 20-minute session each day, which you will repeat with four different groups of approximately 20 kids. We need leaders for the following stations:
- Spelunker Sports and Games (organize and oversee the running of 4 outdoor games sessions)

Crew Leaders & Assistant Crew Leaders: Shepherd a mixed-age group of either elementary or pre-k children through each day's activities…and there's no preparation!

Actors: Guess what? There are also a few spots for anyone who's dramatically inclined!

Registration team: Help check in children every morning from 8:30-9:15 a.m.

Decorating team: Help create our fabulous sets and decorations for a week of fun. Dads and teenagers 14+ are needed to help with this fun project!

We believe that God will use this incredible program to reach many children with the message of His love, so please prayerfully consider your role in Maker Fun Factory VBS. Feel free to contact me by email, phone, or in person if you have any questions. To sign up to volunteer or for more information about Everest, visit: vbspro.events/p/smlj

May God bless you,
